

LAD X10

OCTO SYSTEM - Adjustable module

design Roberto Mantovani

IP20 made in Italy

A projector module characterised by a minimal design and high optical performance. Thanks to the use of highly-advanced optics, it offers narrow and precise light beams.

Modulo proiettore connotato da un design minimale ed elevate prestazioni ottiche. Grazie all'utilizzo di ottiche estremamente evolute permette fasci luminosi stretti e precisi.

Module projecteur à design minimaliste et hautes performances optiques. L'utilisation d'optique extrêmement évoluées permet d'obtenir des faisceaux étroits et précis.

Projektormodul, das sich durch ein minimalistisches Design und hohe optische Leistung auszeichnet. Dank der Verwendung extrem fortschrittlicher Optiken ermöglicht es schmale und präzise Lichtstrahlen.

Módulo proyector caracterizado por un diseño minimalista y un alto rendimiento óptico. Gracias a la utilización de ópticas extremadamente avanzadas permite haces de luz estrechos y precisos.

Supply current

24VDC

Power

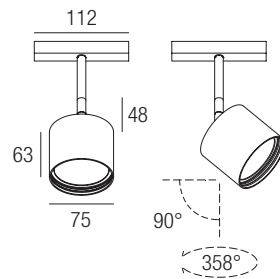

10W

CRI

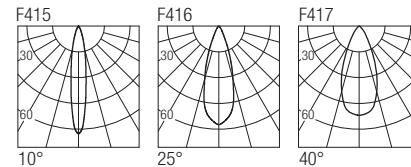

85-93
