

MINIJOS T2

Projector for 24VDC tracks

design Roberto Mantovani

A projector module for 24VDC track, characterized by a minimal design and high optical performance. It lends itself to accent lighting applications, giving the chance to combine various color temperatures and beam angles, with CRI85.

Modulo proiettore per binario 24VDC, connotato da un design minimale ed elevate prestazioni ottiche, si presta ad applicazioni di luce d'accento. Offre la possibilità di combinare temperature colore ed apertura di fascio, con CRI85.

Un module projecteur pour rail 24VDC, caractérisé par un design minimaliste et des performances optiques élevées. Il se prête aux applications d'éclairage d'accentuation, offrant la possibilité de combiner différentes températures de couleur et angles de faisceau, avec CRI85.

Ein Beleuchtungsmodul für 24VDC Stromschienen, das sich durch ein minimalistisches Design und hohe optische Leistung auszeichnet. Sie eignet sich für die Akzentbeleuchtung und bietet die Möglichkeit, verschiedene Farbtemperaturen und Strahlungswinkel mit CRI85 zu kombinieren.
